1. Recap on the health care website and ongoing congressional hearings.
2. People were promised by the President that they could keep their health care plan if they liked it. Period.
3. The millions who have lost or will lose their coverage.
4. The push to sign up for the “Affordable” Health Care via the website. [At the time of this recording the site is not working.] Professor Wilson believes it is a way to force a communist type of program with a “single payer” system.
5. History of Abortion – and how conservatives and liberals (Democrats as well as Republicans) feel about this issue.
6. Roe vs. Wade
7. States that banned and then voted permission for abortion and the historic impact.
