

# Homeschooling in Times of Crisis

Romans 8:28-31

Romans 8:35-39

2. Homeschooling is a tool, not our hope.

Psalm 52:9

Hebrews 10:23

3. Homeschooling provides us the opportunities to walk alongside our children in the realities of life.

4. Academics can be accomplished, but perhaps differently than you imagined.

5. Flexibility is key.

6. Surround yourself with cheerleaders.

7. Keep telling yourself the Truth. Take thoughts captive.
