A New Year a New Focus

What is yours? As a Christian wife, mother and educator our day can be overwhelming. How you begin the new year can be a blessing! Let's get started!

From Meredith

A New Focus

1. Embrace your calling from God –whatever that translates to be for your life.
2. Enjoy each moment, it is a decision not a feeling.
3. Engage fully in your life – half-hearted and non-engagement goes out the window this year!

From Felice

1. Stress is a word of the past – banned words stress, worry and strife! Matthew 6:26 - Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?
2. Give your children to the Lord – their name on a piece of paper – put it in your Bible. Be prepared for miracles.
3. Listen. Prayer and Petition are fabulous places to begin, however listening is the key!

Your Focus:

- 1.
- 2.
- 3.
- 4.
