What Does Auditory Have to Do with Reading, Spelling & Comprehension?

1. English is a sound to code language, what does that mean?
2. How many sounds are in the English language and give us some examples?
3. What is dyslexia and why does everyone think it has to do with letter reversals?
4. Auditory has to do with written language, how can that be?
5. What are some tips we can give to learn these individual sounds?
6. What are some tips for a child who is struggling learning these sounds?
7. Are there any fun games we can play with our kids that can train them as well?
