## Curriculum Choices – Help! Mistakes Parents Make

### From Meredith

1. Curriculum that is packaged – but not great.
2. Curriculum that doesn't match your theology.

### From Felice

3. Planning too much or too little for their day - or not planning!
4. Forgetting to look at the big picture - what are your homeschooling goals?

### Helpful Tips in Selecting Curriculum

#### Meredith:

1. Pray! Get recommendations from other moms but be sure they line up with your goals.
2. Build a library of “living” books.
3. Basics rather than fluff.

#### Felice:

1. Pray! Then, look at your child's learning styles!
2. How does a book fit your religious theology?
3. Free isn't a curriculum it is a hodgepodge and often misses many sequential elements found in the tried and true
