## Five GEMS to remember...

*God's Plan is so much better than ours.*

If you feel HE is not answering you then know He is and the answer is No, not right now.

*Believing that's God's Plan is so much better than ours*

Knowing this and believing it are two different things, ask the Lord to give you the head knowledge and the HEART to know that you know beyond a shadow of a doubt that this is true.

*Praise God daily even when you don't feel like it*

Praising brings us to a heavenly level, it takes us out of the common place and brings us to a place where we can be filled with His goodness, happiness and light

*Seeking God's will in a neutral mindset*

When you realize God is in control then you let Him drive and be a passenger in the true sense of the word. The Lord can guide someone who is willing and is not parked with the emergency brake on...the Lord can guide us if we are open to being guided

*Hearing His calling and doing His will*

How can you hear the Lord when the world is making so much noise? Be in prayer, and watch Him work powerfully in your life.
